**Discussion with Tony Caputa on 4/6/2004**

Based on the U.S. filing date of Nakagawa *et al.* (USPAP 2002/0197605) and the foreign publication date of EP 1108790), these references are not prior art on the pending claims despite the earlier foreign filing dates. Possible interference issues were discussed and agreed to not be an issue for the pending claims.
